MARIO BRUNELLO MASTERCLASS 2022 GENERAL LINES

Mario Brunello will hold a cello masterclass from 13 to 18 September 2022.

Società Amici della Musica "Guido Michelli" di Ancona organizes an extraordinary training event with **Mario Brunello** that has been created to give life to a new training experience. Music comprehension, knowledge and study will be linked to other activities that will involve the cultural peculiarities of the territory in the Municipality of San Ginesio and its surroundings, in the provinces of Macerata and Fermo in the Marche Region.

Lessons will deal with three main ideas: **Method to study, Form to give an interpretation and Nature to find inspiration.**

This edition features two significant changes: the duration of the masterclass, that will last one day more, and the presence of a musical assistant that will coordinate the moments of music d'ensemble, and will tutor those, among the General masterclass participants, interested in deepening some particular aspects of the study of the instrument, following M° Brunello's book "24 days of study".

MARIO BRUNELLO MASTERCLASS 2022

GENERAL INFORMATION

INFORMATION For the fifth consecutive year the **Società Amici della Musica "Guido Michelli"** one of the oldest concert companies in Italy, organizes projects with Mario Brunello in support of the Marche region hit by the 2016 earthquake.

The project starts from San Ginesio - the Saint who inspired the name of this beautiful old village - who is the patron of musicians. The Saint has created a link between the village and music: San Ginesio is represented with a violin in his hands, both in 15th-century frescos and 16th-century paintings.

San Ginesio is situated in Monti Sibillini National Park, 700 metres above the sea level, in front of the majestic mountain chain, in a very strategic area rich of cultural and natural tourism activities that was severely struck by the earthquake of 2016. San Ginesio has received the Orange Flag as one of *the most beautiful villages of Italy*, with its suggestive overview on the Marche landscape and its monuments, which are a legacy of a glorious past, where the musical tradition has survived throughout time.

Participants will reach San Ginesio **by car** and will use their vehicles to take the trips included in the masterclass to discover the surrounding territory. One of the most important requisites is an **extra-musical interest for a 360° training experience**.

ACCOMMODATION & GUESTS

Participants will be hosted in structures that will be communicated promptly.

Guests travelling with the musicians must be declared. Each participant may be accompanied by only one cohabiting person.

For these, there is the possibility to participate in lessons and activities of all 6 days for a cost of 160.00 euros. **Anyone wishing to take advantage of this possibility must write to:** masterclassamicimusicaa@gmail.com.

In response, confirmation of registration and payment methods will be communicated.

The costs of accommodation (with the possibility of enjoying meals at agreed prices), will be borne by the guest.
